

Vacancy

## Chief Program Management Officer

RB Rail AS office in Riga, Latvia

Rail Baltica is a once-in-a-lifetime infrastructure megaproject – if you're looking for a meaningful job in an international setting, look no further. This is where you can make an impact to be proud of.

You will be part of integrating the Baltic States into the European rail network and building a new economic corridor to bring long-term benefits to the Baltic region and its people. You will work with a cross-border team of more than 200 of the brightest minds

We are looking for a passionate individual to join our growing team in the position of **Chief Program Management Officer** to work at our Riga headquarters.

### Job summary

Chief Program Management Officer will oversee coordination of three Baltic countries cross border railway project's master plan, implementation activities and delivery of the project. The core role includes developing and rolling out project management methodology in close cooperation and engagement of the national implementing bodies to ensure the delivery of the project on time and quality.

### What's in it for you

A job with purpose and impact

Exceptional international project experience

Innovation-driven work

Professional and self-development

Flexible work and health & safety culture

Benefits and Bonus programme

Supportive network of professionals

Competitive remuneration

## We will entrust you to

- Join the Executive Management Board
- Develop and execute Rail Baltica Global Program Management systems
- Co-ordinate Program Management standards and systems across 3 countries
- Handle International & Multicultural stakeholders
- Take responsibility for overall project systems to ensure successful delivery
- Lead the planning team
- Develop the Project Controls capabilities
- Define and manage the Deliverables across the project

## To succeed, you should have

- The ability to cooperate with a variety of stakeholders, forming diplomatic relationships both internally and externally
- International experience in a Managerial role on a multibillion Euro megaproject ideally including cross-border components
- Previous experience of delivering Rail (preferable High-speed) from Design, Construction through to Operation
- Hold a University Degree in a related subject and PMP or relevant Project Management certificate.
- Strong knowledge of Program/ Project Management methodologies, tools and processes.
- Have the capacity to intake and review large amount of information from different sources.
- Develop a strong overview of the project & the deliverables while retaining 'hands-on' responsibility and motivating the team around.

## Application process

If you are willing to be a part of the challenging and unique project, and your experience and personality match the position's requirements, please, send your CV and motivation letter in English with the subject "RAIL BALTICA - CPMO" to RB Rail AS recruitment partners EWI RECRUITMENT [o.jones@ewi-group.com](mailto:o.jones@ewi-group.com) by June 19, 2022.
